

**Albizu University, Miami Campus
Master of Science in Speech-Language Pathology**

2023-2025 Strategic Plan

Goal	Objective
Goal #1: Promote a culture of academic excellence and student achievement within the MS in Speech-Language Pathology Program	The SLP Program will maintain accreditation with the Council on Academic Accreditation (CAA) in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association (ASHA).
	Graduate students will meet all academic and clinical practicum experience requirements for the Certificate of Clinical Competence in Speech-Language Pathology from the American Speech-Language-Hearing Association (ASHA CCC-SLP) and the license in speech-language pathology from Florida Board.
	MSLP students will increase Praxis and Comprehensive Examinations passing rate above 85%.
Goal #2: The MSLP Program will seek grant funding for clinical support.	The SLP Program will seek opportunities to submit applications for grant funding.
Goal #3: The SLP Program will contribute to the community through establishing partnerships and collaborating at the local, regional, and levels.	The MSLP Program will continue current and develop new collaborative agreements within the community for clinical placements.

Goal #4: The SLP Program will include diversity and inclusion in curriculum.

The SLP Program will incorporate curriculum and practicum experiences related to diversity and inclusion.

Goal #5: The SLP Program will promote growth through Interprofessional Education (IPE).

Faculty will incorporate innovative and creative methodology of Interprofessional Education in their teaching (e.g., incorporate current technologies, service/immersive learning in courses, experimental teaching methods in courses, community/global perspectives in courses).
